Manor FFA Chapter Information

Welcome to Manor FFA! We are excited for what the year has in store and can't wait to get started. Here is a little general information for you to know about us:

- There are 6 Ag-Science Teachers
 - 1 at Manor Middle School
 - 5 at Manor High School/Manor Senior High School

We have a very active Jr. FFA program. Our high school students are split between the high school and senior high which the students will be shuttled from the high school and senior high to whatever class they need to attend.

We will attend a few jackpot and major livestock shows, participate in about 3 community service projects per semester and compete in many contests. This will drive the students toward scholarships and awards in the FFA and other entities.

For up-to-date information please sign-up for our Remind101 texting!
